PROFILE

With 4+ years of design experience as a UI/UX & Brand Designer, I have worked the last three years with The Chandraz, an Information Technology and Branding company, helping them grow their company and the last year as a freelance designer.

With a Bachelor of Commerce degree from Calicut University, I have created a connection between design concepts and the strategic aspects of user experience.

A top-down view of a white desk. In the top left, a portion of a white keyboard is visible. In the top center, a white Apple mouse sits on the desk. In the bottom right, a white coffee cup filled with dark coffee is next to a color calibration chart with several colored squares. The text 'PERSONAL BRANDS' is centered in the middle of the image in a large, bold, black font.
